Re: My Petition to Revive my Patent Application: Number 09/849,582 of May 5, 2001
Title: METHOD OF DETERMINING ZODIAC SIGNS
Sole Inventor/Sole Applicant/Sole Owner: David Andrew D'Zmura
(pro se independent inventor)

Addendum to Petition to Revive

Dear USPTO Petitions Attorney Mr. Shanoski:

On October 10, 2003, I faxed my Reply to your initial Decision on my Petition to Revive my Application, #09/849,582, and I wish to bring to your attention the following information in the event that it may favorably or concretely assist you in forming or determining your Decision.

First, prior to the Examiner's restriction/election requirement on my Application, I had filed a substantial set of claims in my Application, comprising my set of claims which said same Examiner (Mr. Kurt Fernstrom of GAU 3712) had examined for the IPER Form 409 of my Priority Application, PCT/US00/28838 of October 18, 2000, plus 3 added claims, for which I paid \$552. After the restriction, I elected one group, and earned allowance on my set of claims for that group, comprising four independent claims and sixteen total claims, whereas I had paid for my set of thirty claims, divided into nine groups by my Examiner upon his restriction/election Office Action, said 30 claims containing sixteen independent claims. I deleted the non-elected claims without prejudice, as I intended to file divisional applications prior to issuance on my elected group of invention. Supervisory Examiner Mr. Derris Banks advised me of the claims fee amount due, \$552 as I am a pro se independent inventor, and on June 28, 2002, I effected my payment thereof by fax.

I have not received any refund, if applicable, for my payment of thirty claims, sixteen independent claims, which, prior to first examination, I reduced without prejudice to the elected group. I had not heard of any "surplus" funds in my patent application, but, I was wondering today, whether there may have been "surplus" funds in my application during this Summer, which could have been applied to my payment of the issue fee of \$650. As you are aware of my financial state, any usable funds in my application would certainly have helped, or enabled, my prompt payment.

Also, as I understand my Application #09/849,582 file is in your Office, I would like to inquire on the safe receipt at your end of the original PTOL-85, Allowance for Issuance, which I mailed, by USPS first class mail, at my local USPS post office, Portola Station, Palm Desert, CA, on September 2, 2003. This is the post office where I have my personal P. O. Box 2541 address. Have you received my September 2, 2003 mailing of the original PTOL-85 on my Application?

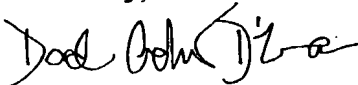

As I mentioned to you earlier, not having \$650 in funds on hand to pay the issuance fee, and in reading on the PTOL-85 that it stated clearly, "The PTOL-85 (or an equivalent) must be returned within this period even if no fee is due or the application will be regarded as abandoned", I mailed my completed, original PTOL-85 on September 2, 2003, without enclosure of payment. On the PTOL-85 Part B, Fee Transmittal, I did not check any fee as being enclosed, but I did fully complete both PTOL-85 Part A and Part B, signing and dating at applicable fields, and printed my name, and signed and dated the Certificate of Mailing portion, with the mailing date, Sept. 2, 2003. I mailed the PTOL-85 to the USPTO address from the USPS Portola Station, Palm Desert, CA.

I am attaching to this cover addendum, the following enclosures:

- 1) record of my fax transmission of 6/28/02, and my paid receipt, containing my letter of 6/27/02, Authorization to Charge my Credit Card, (which was promptly done by the USPTO);
- 2) exact, unadulterated photocopy of the original PTOL-85 of my Application, as I marked, signed, and sealed it in a standard envelope, addressed to the USPTO in Alexandria, VA, which I mailed on September 2, 2003 from the USPS Portola Station post office, Palm Desert, CA;
- 3) my paid receipt for my first-class mailing of my PTOL-85 on September 2, 2003.

Thank you for your review and consideration of these facts and documentation records.

Sincerely,

David Andrew D'Zmura
